

**Be a part of The Rotary Foundation Centennial Celebration.
October 23rd, 2016 in Cleveland, Ohio.**

In 1917, Arch Klumph, the sixth President of Rotary and Founder of The Rotary Foundation, said, **“There should be a realization that Rotary is greater than any one man in it, or any single club; Rotary is not a local movement but a world force.”**

On October 23, 2016, the home District of Arch Klumph in nearby Cleveland will be hosting a special celebratory concert performed by the Cleveland Orchestra with dinner to follow including featured speakers Rotary International President-Elect John Germ and The Rotary Foundation Chair-Elect Kalyan Banerjee.

All Rotarian, spouses, and friends of Rotary are invited to attend the special afternoon concert at Severance Hall. Tickets are available at <http://www.trf100.org/> - click the gold CONCERT button.
